

NEW – OPPORTUNITIES OF ADVERTISEMENT IN THE EFC NEWSLETTER

Advertising in the EFC Newsletter is a great opportunity to promote your company and products to a qualified audience of professionals active in corrosion!

For the first time in 2018, the EFC has decided to introduced limited advertisement space in the EFC Newsletter. This 32-pages newsletter is inserted in the delegate's bag of all participants to the EUROCORR 2018 Congress and Exhibition, amounting to more that 1000 people active in corrosion, from both research and industry, from Europe and beyond. The EFC Newsletter is also distributed to all 28 EFC Member Societies.

Advertising space in the EFC Newsletter is limited to a total of 6 pages, and allocation is based on the order of reception of the duly completed order forms.

Exhibitors of EUROCORR 2018 and EFC Affiliate Members are granted 20% on advertisement space in the EFC Newsletter.
